The Nanuet Public Library is developing a Long Range Plan that will guide the library's future over the next five years.

Please join us for an Open House where we will introduce long range planning goals, strategies, and gather input from the community. Trustees and staff will be available to answer your questions and review the exciting services and programs currently offered at the library.

We look forward to hearing your ideas on what you want your library to be and how we will achieve this together.

Refreshments provided by the Friends of the Nanuet Library.
